Hi Andrea:

Ok. I am glad to hear that you have not sent it yet, because that is not the reason that they have not contacted us.

Except for feeling a little cut off from the world, this is the time we are usually out in the field. I am doing great.

Sincerely,

Good afternoon Cheryl,

I hope that you are doing well during these interesting and challenging times.

The DNR has not sent a NOV to Greenleaf Ledge Dairy yet, nor have we heard from representatives of Greenleaf Ledge Dairy or their legal counsel.

I will plan on communicating with you when the NOV is sent to the facility.

Take care,
Andrea

I am wondering if you have sent the NOV to Greenleaf Dairy, LLC. We had a meeting with Greenleaf's attorney a few weeks ago and she had said that they were going to send us comments on our Administrative Order on Consent, but we have heard nothing. Have you heard anything from Greenleaf?

Sincerely,
